Luxury Shaggy

These heat set Polypropylene rugs come in earthy tones to compliment any setting, reflecting the ultra modern trends of today's world. This collection creates hip and stylish looks in the latest designer colours.

Made from 100% Polypropylene fibre, these fantastic high quality heat set rugs have a soft and dense feel, not your average pile height and weight. In fact, we have increased the quality with a 5 cm pile height and 3 kg per M² of weight. These rugs are truly superior and they will never go flat like others.

Natural looking latte and bold modern colours, you will find a Luxury Shaggy rug suitable for every home and decor.

The rug is stain proof, dust proof, moth proof and allergy proof, easy to vacuum and maintain, woven and will never shed. They are completely washable and hard to stain.
